For this purpose, feedback from previous years would be taken into account while considering individual applications. Similarly, uploading of agreements with pilgrims is an important tool of bringing in transparency in the dealings of HGOs with the Haj pilgrims, for which instructions have been issued by the Ministry from time to time. Compliance with instructions in this regard will also be taken into consideration while scrutinizing the applications for Haj-2025 and selecting the individual HGOs and CHGOs.

Policy for Haj Group Organisers (HGOs) for Haj 2025

1. Background

Haj is one of the most complex organisational tasks undertaken by Government of India outside its borders. Although core Haj is essentially a five-day religious congregation, it is virtually a year-long administrative, coordinative and managerial exercise. In order to ensure a smooth, safe and comfortable Haj pilgrimage for Indian pilgrims, the Government of India makes extensive arrangements for the security, travel, stay and well-being of the Indian Haj pilgrims, both within India and in Saudi Arabia (KSA), in close coordination with various stakeholders including Ministry of External Affairs, Ministry of Civil Aviation, Ministry of Health and Family Welfare, Haj Committee of India and Consulate General of India in Jeddah, besides the Govt. of Saudi Arabia.

Indian Haj pilgrims who constitute one of the largest national groups performing Haj, are facilitated through through two streams - (i) Haj Committee of India (HCoI), and (ii) registered Private Tour Operators (PTOs) also known as Haj Group Organisers (HGOs) after they are selected for Haj. As per the regulations of KSA, PTOs who are who are found compliant with the laws of the land and have been giving satisfactory services to the pilgrims are selected and registered with the Government of India. These HGOs become eligible for grant of Haj visas subject to fulfilment of other terms and conditions as laid down by the KSA Authorities.

The allotment of Haj quota and HGO related terms and conditions are governed by a bilateral agreement which is signed between India and KSA. The Haj quota for India is fixed by KSA and has been distributed between HCoI and HGOs, in the ratio of 70:30, which has been communicated vide the Haj Policy-2025 issued on 05th August, 2024. This has led to an increase in the quota for HGOs from 35,005 to 52,507, thereby ensuring more seats for the HGOs.

The Haj related activities, in case of PTOs, are guided by the HGO Policy, which is a continuously evolving and dynamic process. The policy seeks to ensure that management of Haj is further streamlined, based on the guidelines and advisories issued by KSA every year before start of Haj. The essence of the HGO Policy is to help realise the prime objective of the Government to the effect that pilgrims are able to perform their pilgrimage smoothly, satisfactorily, without difficulty, harassment and any avoidable obstacles which can be anticipated in advance. The HGO policy also seeks to ensure that financially sound, experienced, credible, reliable and compliant PTOs with a good track record are selected and made to compete with other entities, to ensure best in class services and competitive Haj packages being offered to the Indian Pilgrims.

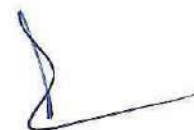

The KSA's guidelines for Haj-2025 issued to the Government of India, provides for entities dealing with a minimum of 2000 pilgrims only. KSA would therefore not allow any entity with a quota of less than 2000 pilgrims. It has thus become incumbent on the Ministry to allocate a quota of minimum 2000 pilgrims to every legal entity, the details of which are explained in the subsequent paras. Taking into account the guidelines of KSA and the best practices followed by other countries to comply with the KSA guidelines and to meet its sovereign obligation, the Government of India, through the HGO Policy, shall endeavour to select entities with emphasis on quality, experience and capability. The selection process seeks to ensure good quality services being provided to the pilgrims, filtering out all HGO applicants who do not have a good track record in rendering good services to the pilgrims, complying with the laws of the land and also to comply with the Bilateral agreement to be signed annually between India and KSA for Haj-2025.

Given the fact that presently around 800-1000 PTO entities apply each year and a quota of 50 to 150 pilgrims has been traditionally allocated to individual PTO entities, it has become imperative to allot a quota of minimum 2000 pilgrims to a CHGO, comprising of several individual HGOs to ensure that majority of the tour operators operating in the business of Haj tourism for many years are not deprived of their traditional livelihood, due to the KSA guidelines. Since the CHGO is to be allocated quota jointly with a common zone preference for all pilgrims in the group at Mina, it is critical to select a Lead HGO for every CHGO that is financially sound, has a good track record and experience of conducting Haj pilgrimage without any complaints and is fully compliant with the laws of the land. The best practices and professional management of such Lead HGOs is expected to benefit the smaller HGOs who form a part of such CHGOs. The Lead HGOs are expected to act as a role models for other HGOs in their groups and help them in ensuring compliance with the India's and KSA's laws and guidelines.

In view of these changes being introduced in the HGO policy, the application process for HGOs is being initiated by the Ministry well in advance this year, so as to ensure that the online process for selection of HGOs is completed as per the guidelines and timelines prescribed by KSA authorities.

Taking the above background into account, applications are hereby invited from Group of PTOs. It has been decided to allot quota to the PTOs based on their relative experience, financials, human resources and infrastructure available, and capability/scale to deal with Haj and/or Umrah operations. The basic framework and principles of the HGO Policy for Haj 2025 remain substantively in compliance with the Hon'ble Supreme Court's judgements in 2013 and 2019, while factoring the changes introduced by the KSA, communicating its decision to henceforth allow only entities, with a minimum Haj quota of 2000 or more.

3.3. The Ministry reserves the right to depute teams to inspect the premises and financial records of the HGO applicants, where there is a reason to believe that true facts have not been brought on record or facts have been suppressed or misrepresented before the Ministry, with the objective of getting a Haj quota by misleading the Ministry or by using fraudulent means.

3.4. HGOs found indulging in activities which are violative of any provisions of Annexure II and Guidelines/Instructions issued by the Ministry from time to time, will be liable for punitive action as per the HGOs Policy which may include blacklisting/debarment for the period up to 15 years and/or forfeiture of Security Deposit.

a. Other important criteria for CHGO applicants:-

- I. The CHGO application is to be submitted by Lead HGO applicant only.
- II. Only one Lead HGO applicant in a CHGO would be allowed. However, two or more entities which are eligible for lead can be a part of one CHGO application but only one will get quota corresponding to the Lead category, and the other entities would be treated as Category-1* (Non-lead); which is to be specifically indicated in the CHGO application and MoU.
- III. The CHGO must be constituted in such a way that a minimum quota of 2000 and maximum of 2600 pilgrims is applied for.
- IV. Any prospective constituent member with consent of the Lead HGO may become part of CHGO with a quota which is lower than its category as per the Policy.
For Example: Category-1* Lead HGO may become part of a CHGO and may agree for a lower quota of 200 with the consent of the Lead applicant, in the interest of formation of the Group.
- V. An MoU should be signed by all the applicant member entities declaring that once the evaluation process is completed, the individual HGO applicants who have signed MoU and have applied as CHGO would form a legal entity registered with Ministry of Corporate Affairs and submit the PAN, GST and incorporation details to the Ministry within 3 weeks of quota allocation.
- VI. **The Lead HGO applicant of a CHGO shall be a single point of contact (SPOC)** for the Ministry for all the communications. The CHGO will select only one Munazzam for the entire CHGO, whose name will be forwarded to CGI Jeddah and Govt of KSA under intimation to MoMA. It may further be noted that as per the communication received from KSA, only one account will be allowed to be used for any transactions in KSA for every CHGO.
- VII. During the application process, the decision on selection of a CHGO will be based on the overall application submitted and not only on the basis of the individual eligibility of the HGO applicants. Hence, all individual HGOs are advised to follow the principle of 'Caveat Emptor' and exercise due caution when joining or becoming a part of any CHGO.

b. During the evaluation process, the complete group (CHGO) application will not be considered in case of the following :-

- I. CHGO fails to submit the mandatory documents i.e. original copy of the Joint MoU signed by all the member constituents.
- II. CHGO application is filed in a way that overall quota applied for is either less than 2000 or more than 2600.
- III. The cumulative annual turnover from Haj and/or Umrah operation of the constituents of the CHGO application is found to be less than INR 75 crores.
- IV. CHGO application is formed in such a way that the stipulation of minimum applicants in each category is not met.
- V. It is found that Lead member and/or multiple member constituents of the group have misrepresented or have provided any false declaration / incorrect information.

In such cases, an opportunity would be given to CHGO and a maximum of 72 hours will be provided for submitting the response.

4. Distribution of seats among the CHGOs:-

4.1 Eligible CHGOs will be allocated 2000 to 2600 seats as per their application on a 'first come first serve' basis as described in the succeeding paras.

4.2 However, if the quota is still available after distribution of seats to each eligible CHGO, then the remaining quota will be added to the common pool.

4.3 The remaining quota from the common pool will be distributed equally among all the finalised CHGOs in equal proportion. In case of a scenario where equal distribution is not possible, such remaining quota will be distributed through draw of lots.

5. In order to facilitate submission of CHGO application, adequate changes have been done in the HGO Portal, the key stages and steps describing application and evaluation are given below:

5.1 Stage-1:

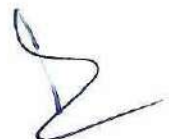

- The individual HGO applicants will need to register themselves as per their eligibility requirements on the HGO Portal.
- All the individual applicants need to ensure the eligibility requirement as per HGO Policy for Haj 2025 and need to complete their application individually and submit the application within the stipulated timelines.

- The Ministry will evaluate the individual applications and announce the evaluation result on the HGO Portal as follows:
 - a. Eligible for the category applied.
 - b. Eligible but not for the category applied i.e. eligible for lower category.
 - c. Not Eligible.
- An opportunity would be given to the individual HGO applicants to file a representation with the Apex Committee within 21 days of the announcement of Stage-1 results. The documents and representations should be submitted and would be entertained only through the HGO portal.
- After Stage-1: The eligible individual applicants can in the mean time form a group i.e. CHGO and submit their applications through the eligible Category-1* Lead applicants.

5.2 Stage-2:

- The Lead HGO applicant along with its member constituents will need to execute a Memorandum of Understanding (MoU) to file the application.
- The responsibility for submitting the final application for the applicant CHGO lies with the Lead HGO applicant.
- The eligible individual applicants may apply either with the same category as found eligible or any lower category in order to be part of a CHGO based on mutual consent with the Lead HGO applicant of a CHGO.
- After the Stage-1 result being announced, the CHGO applicants can submit their group applications including MoU on HGO portal and submit printed copy of acknowledgment along with physical copy of MoU signed by all constituent members within 14 days from the date of Stage-1 results being announced.
- **After analysis of the CHGO applications filed on HGO Portal, the Ministry will assess the CHGO applications as per policy and will allocate quota to eligible CHGO applicants on a 'first come first serve' basis as per the time stamp of the submission of online CHGO application. In order to maintain transparency, the CHGO group details along with quota allocation in order of submission will be displayed on the portal.**
- **In case any CHGO applicant is unable to respond to Ministry's queries within 72 hours, the order of seniority of the CHGO applicant on 'first come first serve' basis will be considered based upon the time of submission of response to the Ministry's query.**

- Subsequently, the Lead HGO along with its member constituents will need to constitute a separate legal entity registered under Ministry of Corporate Affairs to legally formalise the constitution of CHGO.
- 21 days' time will be provided to the CHGO to submit details of the legal entity with PAN, GST, Bank details and other statutory documents as necessary to conduct Haj operations. With the formation of CHGO as a legal entity, an additional Security Deposit amount of INR 50 lakhs needs to be deposited in the form of a Fixed Deposit Receipt in favour of 'Haj Committee of India' from the bank account of newly constituted entity, which will be valid till 31.12.2025.
- In case the eligible CHGO is unable to constitute a legal entity, or is unable to provide Security Deposit or unable to fulfil any other terms and conditions, the quota awarded to the CHGO will be forfeited.
- **In case of any residual quota or additional quota received from KSA, or in case of any HGO being found ineligible after selection, an opportunity would be given to the individual HGOs who were found to be eligible during the Stage-1 but were unable to form or be part of any CHGO entity. The same would also be applicable in case no quota was allocated to an otherwise eligible CHGO entity in Haj 2025 due to non consideration as per the 'first come first serve' mechanism.**
- The selected CHGO entities who have received the quota will be able to add individual HGOs as described in the preceding sub-para in their group. In these cases, a CHGO of more than 2600 may also be allowed, as a special case, subject to any specific guidelines being issued by KSA.
- **The individual HGOs who are found eligible for Haj 2025 but are unable to form or be part of any CHGO entity or in case no quota was allocated to a CHGO entity in Haj 2025 due to first come first serve basis, such HGOs shall be given preference in Haj 2026, subject to the fulfillment of all other eligibility criteria and extant guidelines and no Show Cause Notice or court case being pending.**
